

Optimizing prophylaxis of kidney and liver transplant rejection *The spectrum from tolerance to rejection*

8:30-10:10 It's not all about HLA-antibodies (T-cells are fighting back)

Chairs: Umberto Maggiore (Parma, Italy), Rainer Oberbauer (Vienna, Austria)

8:30-8:55 **T cell priming by innate immunity** *Peter Heeger (New York, USA)*

8:55-9:20 **T-cell immunity lasting forever** *Robert L Fairchild (Cleveland, USA)*

9:20-09:45 **Non-HLA autoantibodies** *Duska Dragun (Berlin, Germany)*

09:45-10:10 **T-cell targeting based immunosuppression** *Oriol Bestard (Barcelona, Spain)*

10:10-10:40 Coffee break

10:40-12:20 Road towards tolerance

Chairs: Lionel Rostaing (Grenoble, France), Josep M. Grinyò (Barcelona, Spain)

10:40-11:05 **Cell-based therapies** *Kathryn Wood (Oxford, United Kingdom)*

11:05-11:30 **Combined hematopoietic stem cell & kidney transplantation** *Megan Sykes (New York, USA)*

11:30-12:20 **Immunosuppression minimization**

Kidney: *Ondrej Vicklicky (Prague, Czech Republic)*

Liver: *Giuseppe Tisone (Rome, Italy)*

12:20-13:05 Free communication session

Chairs: Daniel Abramowicz (Antwerp, Belgium), Magdalena Durlik (Warsaw, Poland)

13:05-14:15 Lunch break

14:15-15:05 Organ conditioning using machine perfusion

Chairs: Robert Langer (Linz, Austria), Christophe Mariat (Saint-Étienne, France)

14:15-14:40 perspectives in **Liver** *Paolo Muiesan (Birmingham, United Kingdom)*

14:40-15:05 perspectives in **Kidney** *Annemarie Weissenbacher (Oxford, United Kingdom)*

15:05-16:05 Case reports on borderline donors and allocation: Real life scenarios (with interactive voting)

Chairs: Soren Schwartz Sorensen (Copenhagen, Denmark), Luciano De Carlis (Milan, Italy)

15:05-15:20 **Kidney** *Klemens Budde (Berlin, Germany)*

15:20-15:35 **Liver** *Gabriel Oniscu (Edinburgh, United Kingdom)*

15:35-15:50 **Kidney** *TBC*

15:50-16:05 **Liver** *Paolo de Simone (Pisa, Italy)*

Closing remarks
